## Worthy of Its Praise

The Willys-Knight sleeve-valve engine actually improves with use. It is even smoother and more powerful at 5,000 miles than when new. Carbon only makes it better. Many owners report 50,000 miles of brilliant performance without engine adjustment. And a Willys-Knight engine has never been known to wear out.

#### DIED.

Miss Margerite Ney, aged about 30 years, fell asleep in death about seven o'clock Thursday morning. After a requiem mass at the Catholic church, Friday morning the remains were tenderly laid to rest in the Catholic cemetery. The Pastor, Rev. Bradley's Transfer hauls anything Father James Marsolier, performed the last sad rites.

Miss Margarite was a daughter of Mr. and Mrs. Joe Nev. and had been a cripple all her life. For about four years she had been a bed-ridden invalid, and death was no doubt a mesenger of peace and rest to her helpless and pain-racked body.

Of course, there are those who loved her and whose constant charge she has been for these many years who will miss her sadly and mourn her passing. To these our hearts go out in tenderest sympathy, but in the midst of our grief and sorrow, let 91-Year Old Man Survived by us console ourselves with the hope that all is well with her.

A large concourse of sorrowing the compass, and the beautiful floral offerings completely covered her final affection for the departed one.

ed with conspiracy to violate the Prohibition laws has been on trial in the Federal District Court at Del Wednesday night betwen nine and

ten o'clock the case was finally submitted to the jury and in about ten or fifteen minutes on the first ballot a verdict of acquittal was agreed upon.

This trial was started last year as a political move to defeat Mr. Johnson in his race for re-election to the office of Sheriff. Fortunately he had enough friends over the county who stayed by him and he was finally nominated in the second Primary. The vote in Sabinal and Utopia was largely in his favor.

Mr. Hammer Johnson was born and raised in Sabinal and his many friends and the friends of his family could not believe that he was guilty as charged. And from the evidence given against him at the examining trial last summer, which was repeated here in two public meetings just before the Primary last year, many did not think that evidence sufficient to convict him. We are informed that the evidence at the Del Rio trial was practically the same as at the examining trial at Eagle Pass.

We heartily rejoice with the relatives and friends of Hammer John-
